Baseball NL Mission Statement

To serve as the governing body of both amateur and minor baseball in Newfoundland and Labrador. We offer our sport to both male and female players aged 5 - 65 years. We offer 20 provincial Championships in both co-ed and all girls categories, as well as programming for grassroots players through Baseball Canada and our member associations. We also communicate and work with our Provincial and National partners in growing the game and promoting the game across the country

75th Anniversary of Baseball NL

2022 marks the 75th anniversary of organized baseball in Newfoundland and Labrador. Stay tuned for more information as we celebrate our 75th anniversary throughout 2022!

Message from Baseball NL

On behalf of the Baseball NL Board of Directors, Committee Members, local associations, coaches, umpires and volunteers, I wish to extend my thanks and gratitude for your hard work, passion and dedication to our sport.

After the challenges of the 2020 season due to the COVID-19 pandemic, I was thrilled to see a more traditional season in 2021. Highlighted by the return of our Provincial Championships, 2021 marked the return to many of the traditions we love about baseball.

Looking forward to the 2022 season, I am even more excited about where our sport is going, and what it can become. Even amidst the challenges of a health pandemic, we were able to operate programming and increase our registration, both in the male and female categories. This trend can only continue now that we are largely past the COVID challenges we have all been dealing with.

Backed by strong leadership at the local and Provincial levels, I am energized, encouraged and excited about what the 2022 season has to offer, and look forward to experiencing it all with you once again this summer.

Kevin Legge | President, Baseball Newfoundland & Labrador

Message from Baseball Canada

Whether a player, coach, official, umpire, administrator, sponsor or volunteer, you play a valuable and essential role in the development and improvement of baseball all over Newfoundland and Labrador, and in Canada.

While 2021 was a more traditional season in certain parts of the country, not all provinces were able to experience the same successes as others. I am very optimistic that we will be able to experience more full scale return to baseball activities nationwide in 2022. Everyone at the Baseball Canada office is working to bring you the same level of commitment and passion for baseball across the country that we see in Newfoundland & Labrador.

We are particularly excited about the return of National Championships this summer, highlighted by the 2022 Canada Summer Games in the Niagara Region of Ontario. Baseball Canada is also thrilled to see two National Championships set to be hosted in Newfoundland and Labrador - the 21U Women's National and the 13U National Atlantic. I know how much work goes into hosting National Championships and having two events one month apart certainly makes this more challenging. To everyone assisting with these National Championships - thank you for your passion and commitment to growing our sport and the successful return of our National Championship calendar.

I wish Baseball NL all the best in their 2022 season, and look forward to once again working with Baseball NL to continue to grow, promote and develop the game across the country.

ABOUT BASEBALL CANADA

www.baseball.ca

WHO WE ARE...

Federally incorporated as the Canadian Federation of Amateur Baseball, Baseball Canada is the national governing body for baseball in Canada. Established in 1964, Baseball Canada is made up of 10 provincial and territorial associations representing over 200,000 players, 26,000 coaches, 10,000 umpires and 15,000 teams nation-wide. Baseball Canada is a member of both the Canadian Olympic Committee and the International Baseball Federation. It is funded and recognized by Sport Canada and Heritage Canada, and is recognized by Canada Revenue Agency as having charitable status.

OUR MISSION...

Baseball Canada is dedicated to developing and advancing baseball for all Canadians by promoting safety and ethics within the sport. Baseball Canada supports the achievement of excellence in baseball and prides itself on its focus on athletes. Baseball Canada strives to provide client programs that foster participation and involvement in baseball. Its programs allow participants to enjoy themselves and achieve their personal goals. Baseball Canada maintains Canadian performance records, promotes and distributes sport specific research, organizes national championships and publishes the rules for Canadian baseball. Essentially, the organization represents the sport of baseball in Canada and the world.

OUR FOCUS...

Baseball Canada is committed to furthering Canadian baseball development at both the national and international levels. The primary goal is achieving excellence at all levels. Therefore, it is essential to provide all participants with the opportunity to reach their individual potential. We realize the need to continually evaluate and improve our programs, including technical content and administrative service to all Baseball Canada members. Above all, Baseball Canada stresses fun, fairness, leadership and respect in the pursuit of excellence in sport.

- In Senior and Junior Division, a roster up to 21 players (for the purpose of protecting players) must be named 3 weeks before the tournament. All 21 players shall be permitted on the game roster for any particular game. Senior and Junior centres will have until 48 hours prior to the start of the tournament to add players to their roster. Rosters will freeze 48 hours prior to the start of the tournament.
- Final team rosters for Minor Division tournaments are due as per the guidelines outlined on the previous page of this document.
- If Baseball NL has knowledge that a player is ineligible prior to tournament play, the player will not be allowed to play in the tournament.
- Players may not be added to a team's roster once the tournament has begun.
- After the tournament has begun, protests on player eligibility will not be allowed.
- Street addresses are required on the roster form of Senior and Junior tournaments.
- Players are permitted to compete in more than one age category tournament in the same year (IE – 15U and 18U) but not in more than one tournament in the same age category (IE – 13U AAA and 13U AA).

Minor Player Eligibility

- For all age divisions, in order to be eligible for provincials, a player(s) must be a resident of Newfoundland and Labrador (city, town or village) before June 1st of the current playing season.
- It is the responsibility of the registering association to ensure the requirements outlined in this part are fulfilled. Extenuating circumstances will be considered upon appeal to the Executive Director of Baseball NL. The eligibility criteria is as follows:
 - a) The parent's usual residence when parents live in the same house, or if one of the parents is deceased, the usual residence of the surviving parent as of June 1st of the current calendar year.
 - b) In cases where parents do not live in the same residence, the athlete shall choose which residence they wish to use as their usual residence.
 - c) When legal custody has been granted to a third person, the usual residence of that person (in which case there must be a Court order or other lawful proof of guardianship) as of June 1st of the current calendar year.
- Residence shall be established and supported by documents dated on or in force between January 1st and June 1st of the current year, from three or more of the following categories to determine residency of such parent(s) or guardian. These documents only need to be produced in the event of a dispute. Baseball NL can be consulted should a dispute occur.
- Acceptable documentation to confirm residency can include:
 - a) Property Tax Assessment
 - b) Current utility statement or credit card statement (i.e. gas, electric, water, etc)
 - c) NL Driver's License
 - d) Rental agreement or bill of purchase of new residence
 - e) Voter's Registration
 - f) Child Care Records
 - g) Local (municipal) Records
 - h) Insurance Documents
 - i) Internet, Cable, or Satellite Records xi. Vehicle Records
 - j) Financial Records (loan, credit, investments, etc.)
- If there is no association in the City, Town or Village that a player resides, the player must register in the next closest association that there is a team that will play at provincials for their age group. If an interested player or association is unsure where that player should register, the Baseball NL office can make a determination for them. This must be completed on a yearly basis.

Minor Player Eligibility Continued

- Any disputes regarding determination of boundaries between associations and player eligibility will be made by the Baseball NL Executive.
- Players who are a Baseball NL registered member of an association and who wish to play competitive baseball and/or have played competitive baseball for their current association, are therefore required to play for or tryout for their own association's competitive teams. If that player is not successful in making any all-star team in their association, they cannot try out for another association.
- In the event an association does not have enough players to field a complete team in a particular age division, they are permitted to add players from a neighbouring association to their team, so long as:
 - o The player(s) being loaned tried out for all-star in their home association and were not selected for a team at any level. If a player was selected for all-star at any skill level, they are not permitted to leave their home association's all-star team to play for another centre at a higher level.
 - o EXAMPLE: "Player A" makes 15U A in St. John's. They cannot leave St. John's 15U A to play 15U AA with CBN
 - o The player(s) being loaned are of the same age division in which they will be playing (associations are not permitted to add players from another association from a younger age division in order to fill out a roster in an older age division).
 - o EXAMPLE: "Player A" is 11U AA in Pasadena. They are not permitted to play 13U AA in Corner Brook
- If a player is "loaned" to an association, this does not count as a release and does not start the three-year application process for player transfers (see below for more information).
- The process for loaning players must be handled at the association level, with both associations agreeing on the players being loaned. Once this agreement is made, communication is to be sent to the Baseball NL office notifying of the agreement in place. Upon receipt of this request, Baseball NL will confirm the information (including whether or not the players are eligible and the above guidelines have been followed).
- Baseball NL reserves the right to deny this request should it be learned that there is a violation of the above guidelines.

Minor Player Transfer Rules

- An official release is required from the president of the association where the player resides, if the player is accepted to try out for a competitive level offered in another association, and the level is equal to the competitive level being offered in the player's current association.
- The release process is as follows:
 1. The player/parent requesting the release must draft a letter to the regional BNL representative (either Metro, Eastern, Central or Western). This letter must include: player contact info, birth date, location, reason for requesting release.
 2. The Baseball NL Regional Director will contact both presidents of each association to discuss the release. For the release to occur, both presidents must be in agreement. This discussion is confidential and cannot be discussed outside of these 3 individuals, with the exception of other Baseball NL staff or executive members. In the case that any of these parties disclose any information discussed, they can be liable to be fined.
 3. Once a decision has been determined, a Baseball NL representative will contact the player/parent with the decision. There does not need to be an explanation provided.
- There will be no appeal process.
- Transfers must be requested by May 1st for that calendar year. For 2021 ONLY, this deadline will be extended to June 15th
- Each release is valid only for that season. For example, if a player seeks a release in the spring of 2021, they are only eligible to play for the new association during 2021 and must reapply (should they wish) for the 2022 season.
- If a player has been released and played with the same association for 3 years consecutively, they then become property of the new association permanently following the conclusion of the third year and no longer have to seek a release.
- Any player that has been released prior to 2021 will be grandfathered in for the rest of their minor playing career.
- If there are extenuating circumstances, whereby a player is required to move and reside outside their current association, the Baseball NL Executive may permit a player to be eligible to play with another team within the province, pending acceptance of an official Release form.

Senior/Junior Team Eligibility

Under Baseball Newfoundland and Labrador's mandate, the promotion and growth of baseball is paramount at all times. When a player graduates from the Minor baseball system, Baseball NL is committed to Active for Life principles and practices that give players of all ages the opportunity to play well into their adult lives.

Baseball NL also wishes to establish rules and regulations around the entry of teams at the Junior and Senior level. In establishing these regulations, it is our hope that this will promote long term growth and involvement of teams at the Junior and Senior level, without destroying the integrity of Junior and Senior baseball in the province.

Any team that has not participated in the Junior and/or Senior division for five (5) consecutive years is considered a new team (regardless of past historical involvement) and must apply to Baseball NL to enter a team in either division. In submitting the application, the following criteria must be followed:

1. Any new team must notify Baseball NL of its intentions, desires and reasoning for its application via email to the Baseball NL Executive Director and President. A formally submitted letter outlining these intentions, desires and reasoning is preferred and recommended.
2. Any new team must clearly demonstrate that it is their intention to continue the growth and development of baseball in the area;
3. Any new team must present, as part of its application process, a list of persons that will serve as the team's delegates (for voting purposes at Baseball NL Meetings), as well as a coaching staff for Provincial play that must include a Head Coach and a minimum of one (1) Assistant Coach.
4. Any new team must submit a preliminary roster consisting of no less than 12 players. A preliminary roster must have 70% of its players from the city/town in which they are representing based on the player eligibility requirements.

Senior/Junior Team Eligibility

5. The team must have a field in its hometown that meets Baseball NL specifications for approved Junior/Senior baseball fields. If necessary, Baseball NL will perform a site visit to inspect the field and determine its useability for Junior/Senior baseball. While the field itself will be of most priority, other considerations for a potential host site will include amenities such as washrooms, changerooms, lights, canteen/concessions, auxiliary buildings, etc. More information on field requirements can be found later in the Senior/Junior portion of this document.

If a team feels they meet each of the five (5) criteria as outlined above, submissions of consideration can be sent to the Baseball NL Junior/Senior Committee. As part of the submission process, a non-refundable \$150 application fee must accompany the application. The Baseball NL Junior/Senior Committee will review all submissions and offer recommendations to the Baseball NL Executive for each team on a case-by-case basis.

Once reviewed by the Executive, the applying team will be notified of the decision. All decisions are final and Baseball NL will not entertain an appeal of the decision.

If a team's application is successful, that team will be permitted to participate in the Junior or Senior Provincial Championship that is closest to their application being approved. The deadline for submission of a new team or association in junior or senior baseball is the last Friday of April.

In 2022 ONLY, the deadline for a new team or association submission is May 27th, 2022. Baseball NL will have a decision to any applying association no later than Friday, June 3rd, 2022.

Senior/Junior Roster Deadlines & Fees

Junior Rosters

Initial rosters must be submitted to Baseball NL offices by midnight on the Friday three weeks before the tournament begins. The rosters will then be released on the Friday two weeks before the tournament begins to allow for player eligibility to be confirmed. Once rosters are released, teams will have up to 48 hours before the start of the tournament to make any changes to their roster that they wish. Once the tournament is 48 hours away from beginning, all rosters freeze and no other changes are permitted.

Senior Rosters

Initial rosters must be submitted to Baseball NL offices by midnight on the Friday three weeks before the tournament begins. The rosters will then be released on the Friday two weeks before the tournament begins to allow for player eligibility to be confirmed. Once rosters are released, teams will have up to 48 hours before the start of the tournament to make any changes to their roster that they wish. Once the tournament is 48 hours away from beginning, all rosters freeze and no other changes are permitted.

Fees

Any team that does not meet the deadline for roster submission for Junior or Senior rosters will be subject to a \$500 fine that must be paid in advance of the respective tournament for which the fine was issued.

Junior Format

1. Tournament format will mirror that of the minor division with respect to the format depending on the number of teams that are entered.
2. The order of games will, unlike Minor, take other factors into consideration. Those factors can include (but are not limited to):
 - a. The host location of the tournament;
 - b. The hometown of the teams that are participating;
 - c. The region of the province where the teams are coming from;
 - d. Travel considerations for traveling teams. This does not mean Baseball NL will entertain schedule requests due to specific team-related concerns, but it does mean Baseball NL will consider the distance in which teams are traveling when creating schedules.

Senior Format

1. St. John's and Corner Brook will be designated as Senior "A" centres due to the established senior leagues in each city/town. St. John's and Corner Brook will be ranked #1 and #2 as Senior "A" centres based on their respective overall placement during Senior Provincial play from the previous season.
2. All other centres will be designated as Senior "B" centres.
3. The format for Senior Baseball is as follows:
 - a. All interested and approved Senior "B" centres will play in a Senior "B" provincial tournament.
 - b. The winner of the Senior "B" Tournament will advance to the Senior "A" Semifinal. The Senior B winner will play the lower ranking Senior A team between St. John's and Corner Brook). This will be a one-weekend, best-of-five tournament hosted by the Senior A centre.
 - i. Home team for Games 1 & 3 will be the Senior A centre
 - ii. Home team for Games 2 & 4 will be the Senior "B" winner
 - iii. Home team for Game 5 will be decided by a coin toss

Junior Format

1. Tournament format will mirror that of the minor division with respect to the format depending on the number of teams that are entered.
2. The order of games will, unlike Minor, take other factors into consideration. Those factors can include (but are not limited to):

i. Home team for Games 1 & 3 will be the Senior A centre

ii. Home team for Games 2 & 4 will be the Senior B winner

iii. Home team for Game 5 will be decided by a coin toss

4. The host for the Senior B Provincial will be determined on a rotational basis and will not always be the winner from the previous season.

5. In a year where there is only one (1) Senior B team registered for the Senior B Provincials, that team will automatically advance to the Senior A Semifinal and there will be no Senior B Tournament. Under this format, the winner of the Senior A Semifinal will advance to a best-of-seven Senior A Final played over two weekends

Junior Roster Composition

1. The roster size for junior baseball teams is set at a maximum of 21 players per team with a minimum of 70% having to be from the city/town in which they are representing based on the player eligibility requirements.
2. A junior player, if asked to play with their home centre and refuses, forfeits their right to play provincial junior baseball for that season unless they are released by their home centre to play for another centre. Any junior player that refuses to play with their home centre is still the property of their home centre the following year.
3. Historical links for Junior Players:
 - a. All historical links established in previous years do not carry forward. This includes junior players that have previously played for other associations in the junior division, as well as junior players that have previously played for other associations in the senior division.
 - b. At the junior level, players must play for their home centre first. If they are not selected to play for their home centre, they can then move to another centre. The following season, that player must return to their home centre first. If they are again not asked to play for their home centre, the player must go to the team they played with the previous summer. If that team does not want that player, they can go to another team. The process will repeat in that order every year until that player graduates to Senior baseball.

Senior Roster Composition

1. Senior rosters can have a maximum of 21 players with a minimum of 70% of those players being from the city/town in which they are representing based on the player eligibility criteria. Of these 21 players a maximum of seven (7) can be junior-aged. If there are less than seven (7) junior-aged players on the active roster, the senior centre can protect a maximum of two (2) junior-aged players that are ineligible to be added to another senior centres roster. The total number of rostered and protected junior-aged players cannot exceed seven (7). More information on the number of protected
2. A senior player, if asked to play with their home centre but refuses, must occupy a roster spot or will be considered a free agent. If a senior player is rostered for the purposes of protection but does not want to play for that centre, they must sit out one (1) season of provincial level baseball before becoming a free agent the following season.
3. A junior-aged player, if asked to play with their senior home centre but refuses, must occupy a roster spot or be protected or they will be considered a free agent.
4. Pickup Eligibility
 - a. The Senior “B” winner will be allowed a maximum of four (4) pickups after the Senior B Provincials for Senior “A” competition. Those four (4) players can be added at any time after the Senior B Provincials have concluded and do not all have to be added before the Senior “A” Semifinals. This means the winning Senior B team can add some (but not all) of their pickups for the Senior “A” Semifinals and reserves the right to add additional pickups (but not exceeding four total) after the Senior “A” Semifinals. Any pickups cannot be dropped for other pickups. In adding pickups, the team’s roster cannot exceed 21 total players.

Senior Roster Composition

b. Should the Senior “A” team playing in the Senior “A” Semifinal win the Semifinal, that team can add up to four (4) pickups from any other Senior team that played in either the Senior B Provincial or Senior “A” Semifinals. In adding pickups, the team’s roster cannot exceed 21 total players.

c. Any player being added to a roster as a pickup must have made an appearance in a game in the Senior B or Senior A Semifinal. Any player listed on a roster that did not make an appearance in a game is ineligible to be picked up.

d. If a junior-aged player is one of a team’s four (4) pickups, that player must occupy a junior-aged player roster spot.

5. Historical Links to Senior Centres

a. Senior players who have previously established a historical link with a centre that isn’t their home centre will retain those links.

b. If a junior player is moving to senior for the first time, they will not have formed an historical link.

c. If a junior player plays with a senior centre that is not their home centre, they do not form a historical link with that senior centre. Instead, they will return every year to their home centre until they become a Senior-aged player.

Senior/Junior Player Eligibility

1. Player Eligibility for any team/centre will be determined by any of the following criteria. These criteria do not outrank each other, meaning if a player has more than one eligible centre based on the below criteria, they are free to choose whichever team they wish without prejudice against returning to the other team(s) the following year. The criteria are as follows:

- a. Where a player currently resides;
- b. Where a player currently plays;
- c. Where a player played their minor baseball;
- d. The city/town in which the player grew up;
- e. A team/centre in which a senior-aged player has already established a historical link.

2. With any of the above clauses 1(a), 1(b) or 1(c), Baseball NL reserves the right to ask for additional documentation should they feel a player does not meet the criteria as outlined in clause 1(a), 1(b) or 1(c).

3. Any player living out-of-province that has previously played in Junior or Senior provincial competition can apply for an exemption to play junior or senior provincial baseball in a given year. If a player applies for an exemption, they can only be exempt under clauses 1(c), 1(d) or 1 (e).

4. Any player living out-of-province that wishes to play in Junior or Senior provincial competition cannot be registered in another province in a Baseball Canada-affiliated league or program.

Host Team

- Minor tournament host teams will not need to pay the tournament entry fee and will be given \$150 to go towards tournament hosting.
- At a convenient time prior to the opening of the tournament, a pre-tournament meeting shall be held. If not possible, an email should be sent to all coaches with the information that would be discussed at a meeting. There will be a deadline to respond with any questions.
- Each team shall send at least one representative who shall have the authority to speak on behalf of the team and make decisions concerning his/her team that shall be binding. Non-attendance at the meeting or not answering correspondence shall not be an excuse for non-compliance.
- In order to make any changes in rules or procedures, there must be a unanimous consent of teams. One negative vote shall defeat any proposed change.
- Any questions not specifically covered by the rules or procedures may be raised and shall be decided by a majority vote. After the start of the tournament any such matters shall be decided by the BNL representative in consultation with other BNL Executive Members present.
- If a pre-tournament meeting is not held, the BNL representative will meet with a representative from each team prior to each team's first tournament game.
- Hosts should provide daily pitch count updates to all team contacts.
- Hosts are responsible for following and understanding all aspects of the 2022 Convenor's Manual.

Participating Teams

A thick, horizontal blue brushstroke that tapers at both ends, serving as a decorative underline for the section header.

- Participating teams will need to pay the entry fee in advance of the deadlines laid out by Baseball NL in this document
- Each team shall send at least one representative who shall have the authority to speak on behalf of the team and make decisions concerning his/her team that shall be binding. Conversely, each team should respond by email to any correspondence by the host and to provide contact information for the team.
- Non-attendance at the meeting or not answering correspondence shall not be an excuse for non-compliance.
- Each team should ensure they are confirming their pitch count information with the scorekeepers after each game.

Coin Toss

- Where possible, home team will be decided upon and communicated with a copy of the completed schedule. When this is not possible, likely due to an uneven number of teams, a coin toss will be used to determine the home team for all round robin/preliminary games.
- With the exception of the Senior A Finals, in any two team series of 3, 5 or 7 games, the host shall be the home team for the first game and the visiting team shall be the home team for the second game, etc., with the home team for the deciding game of the series being decided by a coin toss between the participating teams.

Pre-Game Procedures

- Each team shall arrive at the designated playing field at least one-half hour prior to the scheduled starting time of the game.
- When time permits, starting 25 minutes before the designated starting time of the game, the home team shall have the field for 10 minutes for infield practice.
- The visiting team shall have the field for 10 minutes for infield practice. This shall be followed by the meeting at home plate among the team coaches and umpires.

Suspended Games

- All games that are stopped for any reason shall be suspended and play shall resume at the first available opportunity. All games shall be played to their conclusion
- The BNL representative, in consultation with a representative from each team, shall decide any scheduling change necessitated by tournament interruption due to rain, etc.
- Teams must be prepared to play on the Monday after their scheduled tournament in the event that weather conditions make it impossible for them to play during the scheduled dates.

Tie Games

- In the Minor Division only, if a game is tied after the regulation number of innings, the game will continue into extra innings with use of the international tiebreaker. This places a runner on first and second base to commence each half inning of extra innings until a winner is determined.
- EXAMPLE: if the last regulation inning ends with the #6 hitter having the last plate appearance, the extra inning begins with #7 hitter at bat, #6 hitter at first base and #5 hitter at second base.

Mercy Rule

- A ten (10) run mercy rule shall be in effect after five (5) innings of all tournament games. In the minor division only, a fifteen (15) run mercy rule will also be in effect after four (4) innings of play.
- All games in the 11U AAA/AA Tournament shall have a five (5) run limit per inning except in the final inning of the regulation inning length game and extra innings. All games in the 21U Female, 16U Female, 15U AA/A, 14U Female, 13U AA, 13U A, 12U and 11U A tournaments shall have a three (3) run limit per inning except in the final inning of the regulation inning length game and extra innings
- In a mercy rule ball game, the winning team will get credit for 7 defensive innings while the losing team will only get credit for innings played.

Tie-Breaking System

- The team with the best win-loss record in the game(s) between or among the tied teams will place higher in the standings
- If the tie still persists, the placement of teams will be dictated by the ratio of number of runs against per defensive inning for games between or among the original tied teams
- If the tie persists, the placement of teams will be dictated by the ratio of runs scored per offensive inning for all games between or among the original tied teams.
- If the tie still persists, the team having the best win-loss record in games played versus the highest placed teams not in the tie, followed by comparison against the next highest placed team, etc. will place higher in the standings

Tie-Breaking System Continued

- In a four team tournament with a three-way tie for first place, only one team will be awarded first place using the formula. The second and third teams involved in the tie will play a playoff game with the winner advancing to a single championship game with the first place team
- When a multiple tie occurs and is only partially resolved, the remaining ties will be resolved by continuing on with the remaining tie-breaking priorities until all four priorities have been exhausted. Then and only then will the remaining tied teams return to priority number one and proceed through the order again
- In a five-team tournament, when one team has a 4-0 record and the next two teams have 3-1 records, there shall be a playoff game unless the two teams have played each other in the tournament
- In six, seven, and nine team tournaments, the tie-breaking system shall include all games the teams have played in the round robin (as these tournaments are a random draw schedule there is no guarantee that all teams tied played each other an equal number of times). The tiebreaker will follow the normal tie-breaking system on page 30, however it will include all games played and not just games played amongst the tied teams. There are no tiebreaker games of any kind in a six, seven, eight or nine team tournament.

Tournament Format

- 2 teams: Best 3 out of 5 games
- 3 teams: Double round robin with playoff
- 4 & 5 teams: Single round robin with playoff
- 6, 7, 9 teams: Four games at random draw with the top two teams advancing to the Championship game
- 8 teams: Two pools of 4 teams; round robin in each pool; 1st and 2nd place teams in each pool play crossovers semi-finals and a single championship game
- 10 teams: Two pools of 5 teams; round robin in each pool; 1st and 2nd place teams in each pool play crossovers semi-finals and a single championship game
- For any tiered events, there may be a specific tournament format outside of the formats detailed in this document.

Intentional Walk Rule

All Divisions With Pitch Count

- In the event of a defensive team electing to intentionally walk the offensive team's batter, the pitcher does not need to throw the pitches to complete the intentional walk.
- The following procedure is in place:
 - Coach signals from the dugout that an intentional walk will occur.
 - Umpire calls time and awards the batter first base.
 - Once the new batter comes to the plate, the ball is put back in play
- If, during an at bat, the coach for the defensive team elects to intentionally walk the batter the same procedure as above will occur with the addition that any pitches that have been thrown will count against the pitch count for anyone who is under pitch count rules. (IE - batter has a 2 - 0 count at the time of the signal for the intentional walk. The two pitches thrown will count toward pitch count). If the coach signals for the intentional walk before a pitch is thrown, no pitches will count toward the pitch count.

Re-Entry Rule

15U AAA/AA/A, 16U & 21U Tournaments

- In the 15U AAA/AA/A , 16U Female & 21U Female Tournaments, any starting player may be substituted for and returned to the game one time only. The player must return to his/her original place in the batting order.
- Any pitcher, if removed from the game, may return but not to pitch. Any further substitutions do not jeopardize the right of re-entry for the original starting player.
- Any starting player returned to the game may pitch if he/she has not previously assumed the pitching position.

General Rules of Play Continued

Safety Base

11U A & 12U Female

- In the 11U A and 12U Female Provincials, first base shall be a safety base.
- The fielder must touch the white base before the runner touches the colored base to be declared out. The runner must touch the colored base before the fielder touches the white base in order to be safe.
- The fielder cannot touch the colored base to retire a runner. The runner cannot touch the white base to be declared safe.

Base Stealing

11U AAA/AA/A

- No runner can leave their base before the ball crosses home plate or is hit. If there is a violation, the runner is returned to his base and the ball is dead. When the pitcher receives the ball and takes position on the rubber & the catcher is in their position, all runners must return to the base they were occupying.
- Baseball Canada Canadian Content rule – page cc5 – rule 5.06 (a)
- When a team has a lead of five (5) or more runs, the runners of this team can reach the following base only if the ball is hit or if forced to advance.
- Baseball Canada Canadian Content rule – page cc7 – rule 5.06 (7.00) (g)

Runner on Third Base

11U A

- In the Provincial 11U A Tournament, a runner on third base can reach home plate only if the ball is hit or because he/she is forced to advance. If there is a violation, the runner is returned to their base
- Baseball Canada Canadian Content rule – page CC6 – rule 5.06 (7.00) (c)

No Walks

11U A

- In the Provincial 11U A Tournament, a base on balls is not allowed.
- After four (4) balls, an offensive team coach will take position on the mound and throw up to three (3) additional pitches. If the batter fails to get on base via a hit, the batter shall be called out. The strike count is carried on, and the batter is called out if he/she swings at a third strike.
- Players can advance an unlimited number of bases on a ball pitched by a coach.
- The player cannot be called out on a foul ball.
- If the coach is hit by a batted ball, the ball is declared dead and the batter is awarded first base. The runners advance only if forced
- If the batter is by a pitch thrown by the coach, the ball is dead, the pitch is declared erratic and is not counted. The player must continue his/her at bat
- This is the Baseball Canada Canadian Content rule – page CC6 – rule 5.06 (7.00) (d)

General Rules of Play Continued

Designated Hitter

18U, Junior A & Senior A/B

- A Designated Hitter (DH) is only permitted in the divisions listed above.
- To be eligible to have a DH, this position must be included in the initial lineup.

Extra Hitter Rule

15U AAA/AA/A, 16U & 21U Female

- An Extra-Hitter (EH) may be placed on the lineup card (a 10th hitter which can be placed anywhere in the batting order) as a way to get more athletes at-bats throughout the game.
- This rule is optional for both teams prior to each game and does not have to be used by both teams during a game. The EH must be marked on the lineup card at the start of the game and must be used for the entire game.
- The EH may be interchanged with any other position during the game and can be changed multiple times. For example, the SS could become the EH and the EH become the SS.
- In the event that a player is injured and the team has no eligible substitutes available, Reentry Rule (currently 2.1.8 b) would apply and the team would continue to bat ten players. If the team had no other players available for selection OR in the event of an ejection, the game would proceed with 9 players, without forfeit.
- A player removed due to injury or ejection in this circumstance is not permitted to return to the game. Any further loss of players would result in a forfeit.

Bat Regulations

- For 11U and 12U Female, a max barrel of 2 3/4" with (i) a 1.15 BPF (Bat Performance Factor) or (ii) USA Baseball Model is permitted.
- For 11U and 12U Female Provincials bats up to 32" in length are permitted.
- For 13U, 14U Female, 16U Female and 21U Women Provincials, a max barrel of 2 3/4" with (i) a 1.15 BPF (Bat Performance Factor) or (ii) USA Baseball Model is permitted.
- For 13U and 14U Female Provincials bats using up to a minus 10-length/weight differential is permitted.
- For 16U Female and 21U Women Provincials bats using up to a minus 5 length/weight differential is permitted,
- For 15U Boys, 18U, 22U and Senior Men Provincials, only wood bats, bamboo bats and wood composite bats will be allowed. Wood composite bats include wood bats with fibreglass sheathing and wood barrelled bats with composite handles. Wood composite bats do not include any bat that has any metallic component. The bat must clearly show the manufacturer's original markings (including, if applicable, length-weight differential). If not, the bat will be considered illegal.
- A player is to follow the bat rule based on the division that they are playing in during the game. For example; a 13U player playing in a 15U game is subject to the 15U bat rule. a 16U Female playing in a 15U game is subject to the 15U bat rule.

Pitch Count

11U	13U & 14U	15U & 16U	18U	21U & 22U	Rest Required
1-25	1-30	1-35	1-40	1-45	None
26-40	31-45	36-50	41-55	46-60	1 Day
41-55	46-60	51-65	56-70	61-75	2 Days
56-65	61-75	66-80	71-85	76-90	3 Days
66-75	76-85	81-95	86-105	91-115	4 Days
75	85	95	105	115	Max

- The official scorekeeper will calculate the total pitches thrown for that calendar day and determine the required rest starting the next calendar day. Athletes must not exceed the maximum pitch count total for that day.
- Once a player assumes the position of pitcher, they cannot catch for the remainder of the day.
- Pitchers will be permitted to finish the batter if his or her maximum pitch limit has been reached for that calendar day. If a pitcher meets the requirements to pitch on consecutive days and the pitcher does not go over the first daily threshold during game 1, they are permitted to have a 2nd appearance in the same calendar day.
- When a pitcher reaches the maximum number of pitches allowed for a threshold (see table above), he can complete the at-bat without the penalty on days of rest, as long as he does not pitch to another batter. In this situation, the number of pitches corresponding to the threshold reached will be indicated on the pitching log. The coach or manager needs to acknowledge this to the umpire at this moment prior to the next pitch. Umpire would then notify the scorekeeper. Example: A coach can signal last batter when an 11U player is at 25 pitches and the pitcher can finish the batter without penalty.
- When the pitcher reaches the maximum number of pitches allowed (75, 85, 95, 105 and 115 pitches) during a day during a batters at-bat, he is allowed to complete the at-bat and must be replaced following that batter.

Pitch Count Continued

- Only pitches actually thrown will be included in Pitch Count totals. Automatic balls during an intentional walk do not count towards Pitch Count totals. Example; if during a count of 2 balls - 0 strike, a team signals to the umpire that a batter will receive an intentional walk, only 2 pitches will be counted for pitch count.
- Required Rest shall be defined in “Days” starting at 12:01am and ending at 11:59 pm of the next calendar day.
- If a game continues past 12:01am, those pitches are counted as if pitched prior to midnight. If a game is suspended, when it resumes it is defined as a different day.
- A pitcher who is removed from the mound during a game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game at another position.
- Any violation of any part of the pitch count rule, the result is the Head Coach is ejected from the current game and receives an additional game suspension.
- The total number of pitches thrown by an ambidextrous pitcher are counted for the purpose of calculating pitch count, regardless of which arm or combination there-of is throwing.
- When a game is stopped by inclement weather or for any other reason than a mercy rule, that specific game has to be resumed at the point of stoppage. If Pitcher “A” is the starting pitcher of a game and has a pitch count below the first threshold, Pitcher “A” can then be used as a pitcher again for that particular game but considering he will be carrying the number of pitches thrown when the game stopped. This applies for a game that is resumed on the same day or on the next day.
- A player playing in a division other than their own age group shall pitch based on the pitch count of the lower aged division.
- The manager or coach may make a 2nd visit to the mound while the same batter in at bat in order to remove the pitcher.
- Pitchers will not be permitted to exceed the maximum daily allowable number of pitches in any two day period. Pitchers cannot pitch in 3 games during a day. Example: A 11U pitcher throws 20 pitches on Day 1. On Day 2, that pitcher is limited to 55 pitches.
- Pitcher cannot pitch 3 consecutive days unless a pitcher’s first 2 days combined does not exceed: 11U : 25, 13U/14U: 30, 15U Boys / 16U Girls : 35, 18U/Canada Cup/Canada Games : 40. If pitcher’s day 1 + day 2 exceeds figure above for their division, they require at least 1 days rest.

- Pitch count will be followed as outlined on Page 46 and 47

Baseball Canada rules except where identified for the following:

- Unlimited Substitution – every player present will be placed on the line-up card in the batting order and will all bat in order; players are allowed to move in/out defensively without restrictions except that if the pitcher leaves the mound to play another defensive position, that pitcher may not return to the mound or catch in the same game; any player who becomes injured or must leave the game will be skipped in the batting line-up with no penalty
- All players who are present for a game and in uniform (unless injured and unable to play or suspended for that game by the league or team) must be listed on the batting order/line-up card.
- PARTICIPATION RULE – All players must play at least 2 defensive innings per game
- Mercy Rule is in effect (See page 38)
- All games are of six innings to be completed, if time and weather permits. However, three and a half (3 1/2) innings constitute a regulation game if the home team has more runs than the visiting team.
- Maximum 5 Run/Half Inning rule except the final open inning. Continuation rule is in effect on all out of the park home runs. In the event that this occurs, all runs will count.
- Bunts are allowed
- Stealing is permitted once the pitched ball has crossed home plate. If there is a violation, the runner is returned to his base and the ball is dead. Please see page 42.
- When a team has a lead of five or more runs, the runner(s) of this team can reach the following base only when the ball is hit or if forced to advance. If the runner advances in error, he is returned to the original base and the ball is dead. A baserunner(s) is able to advance should the defense attempt to make a defensive play to retire a base runner.
- The batter cannot become a runner on a catcher's miss of a third strike. The third strike, either called or swinging does NOT have to be caught by the catcher. The batter is automatically retired. However, the ball is alive and in play for runners that are on base.
- No lead offs
- Runners can advance on passed balls including attempting to score at home plate

- Pitch count will be followed as outlined on Page 46 and 47

- No lead offs
- Runners can advance on passed balls including attempting to score at home plate

Pitch count will be followed as outlined on Page 46 and 47 with the following modifications:

- A player may pitch and catch in the same day but not the same game
- A pitcher may pitch three consecutive days in a row if they do not exceed the daily pitch limit for their age for rest required on either of the 1st two days. If a pitcher pitches 3 days in a row, their max number of pitches can only total the max as their age group indicates.
- Example: Pitcher A is 11U. 11U players can pitch a max of 75 pitches over 3 days without rest. They are able to throw 25 pitches on Friday, 25 on Saturday and then another 25 on Sunday.
- Example: Pitcher B is 15U. 15U players can pitch a max of 95 pitches over 3 days without rest. They are able to show 35 pitches on Friday, 35 on Saturday and then 25 on Sunday.

- No lead offs
- Runners can advance on passed balls
- There are no walks or stealing of home. More details can be found on page 43.

12U Female Rules

Baseball Canada 11U rules will be followed except where identified for the following:

- Unlimited Substitution (See page 50)
- Mercy Rule is in effect (See page 38)
- All games are of six innings to be completed, if time and weather permits. However, three and a half (3 1/2) innings constitute a regulation game if the home team has more runs than the visiting team.
- Maximum 3 Run/Half Inning rule except the final open inning. Continuation rule is in effect on all out of the park home runs. In the event that this occurs, all runs will count.
- Bunts are not permitted
- Infield Fly is not in affect
- Real baseballs should be used (Example: Rawlings 80CC)
- The batter cannot become a runner on a catcher's miss of a third strike. The third strike, either called or swinging does NOT have to be caught by the catcher. The batter is automatically retired.
- No lead offs
- No intentional walks will be permitted
- Runners cannot advance on passed balls
- One umpire will assume the role of pitcher
- The pitcher/umpire shall stand 25' – 30' from the plate when pitching and should pitch with an appropriate velocity and trajectory (No Lobbing).
- The pitcher/umpire must use a glove for safety reasons.
- The pitcher/umpire should be positive and communicative with the players.
- The pitcher/umpire should have three baseballs at a time when pitching. The catcher will roll/pass the baseballs behind them to the plate umpire as they receive them.
- If the pitcher/umpire is hit by a batted ball or has to make a play to protect themselves from a batted ball, "Time" will be called and the Batter/Runner will be awarded 1 st base and all runners will advance one base if forced.
- Once the pitcher/umpire touches the ball at any point in a defensive sequence, "Time" will be called and any runners in motion will be placed at the discretion of the umpires.

12U Female Rules Continued

- Each player shall get up to six (6) overhand pitches from the umpire. The umpire is to use discretion if they throw a bad pitch when determining whether to give an additional pitch or pitches.
- The umpire should clearly notify the batter when it is their last pitch.
- If the batter is out on 3 swinging strikes at any point in the six pitches, an out shall be recorded.
- If the batter is unable to reach base via a hit in the 6 pitch limit, an out shall be recorded.
- The batter is not out on a Foul Ball on their last pitch or subsequent pitches after; they will continue to receive an additional pitch.
- The batting tee WILL NOT be used, and there are no walks, leadoffs or stealing of any kind.
- Base Runners can begin to move once the ball reaches the plate.
- 10 defensive players (4 Outfielders, Pitcher and Catcher)
- Players will play the pitcher and catcher defensive positions.
- Catchers must be in full protective gear and in the catching position at all times. Coaches should have catchers ready to go each defensive inning.
- Tag play at the plate unless a "Force Play" is dictated as per regular rules of baseball.
- Overthrows are a "Live Ball" unless the ball leaves the playing field or the play is interrupted as per regular rules of baseball.
- Each game should have 2 umpires. 1 umpire is responsible for pitching to the teams, safe / out calls on the bases and catch / no catch in the outfield. The other monitors / tracks pitch count / quality, safe / out calls at the plate and calls fair / foul balls down the lines.

Example Scenarios:

- Ground Ball to Short Stop, over throws 1 st base and ball rolls down right field line, batter/runner advances to 3 rd base safely. There is no limit on over throws; players can advance at their own risk.
- Bases loaded, 2 out, 2 runs in, batter hits a grand slam; offensive team records 6 runs for that inning
- Bases loaded, 1 out, pitcher/umpire is hit by a line drive from the batter. Time is called. Batter/Runner is awarded 1 st base and all runners advance one base

- Pitch count will be followed as outlined on Page 46 and 47

Baseball Canada rules except where identified for the following:

- There must be 12 players on the roster
- Unlimited Substitution – every player present will be placed on the line-up card in the batting order and will all bat in order; players are allowed to move in/out defensively without restrictions except that if the pitcher leaves the mound to play another defensive position, that pitcher may not return to the mound or catch in the same game; any player who becomes injured or must leave the game will be skipped in the batting line-up with no penalty
- All players who are present for a game and in uniform (unless injured and unable to play or suspended for that game by the league or team) must be listed on the batting order/line-up card.
- PARTICIPATION RULE – All players must play at least 3 defensive innings per game
- Mercy Rule is in effect (See page 38)
- All games are of seven innings to be completed, if time and weather permits. However, three and a half (3 1/2) innings constitute a regulation game if the home team has more runs than the visiting team.
- There is no maximum Runs/Half Inning Rule.
- Bunts are allowed
- Stealing is permitted
- When 1st base is unoccupied or there are two outs, the batter can become a runner on a catcher's miss of a third strike. The ball is alive and in play for runners that are on base.
- Lead offs are permitted
- Intentional walks will be permitted
- Runners can advance on passed balls including attempting to score at home plate

- Pitch count will be followed as outlined on Page 46 and 47
- **Baseball Canada rules except where identified for the following:**
 - There must be at least 9 players on the roster
 - Unlimited Substitution – every player present will be placed on the line-up card in the batting order and will all bat in order; players are allowed to move in/out defensively without restrictions except that if the pitcher leaves the mound to play another defensive position, that pitcher may not return to the mound or catch in the same game; any player who becomes injured or must leave the game will be skipped in the batting line-up with no penalty

Discipline

- Team discipline is the responsibility of the individual teams and its coaches who shall be responsible for the maintenance of discipline. Any breach of discipline, whether on the playing field or off, shall be dealt with by BNL
- A Yellow Card System will be used in 15U, 13U and 11U Tournaments. Coaches and players will be yellow carded for inappropriate behavior and will be ejected if the inappropriate behavior continues. A coach of a minor division team who is ejected from a game will automatically be suspended from the team's next tournament game.
- All hazing practices are banned. The use of tobacco products on the field by team members during provincial competition is banned.
- Teams that forfeit/default games shall be subject to a financial penalty with a maximum \$500 limit and/or a suspension of the offending Member Association in the following year. In the minor division a team which forfeits a game shall not be permitted to play in the tournament playoff games unless the forfeited game was caused by a player ejection that leaves the team with only eight players.
- In the Senior/Junior Division a player who is ejected for deliberately injuring or attempting to injure another player shall be automatically suspended for two games
- The BNL Disciplinary Code shall be used as the governing document

Game Management & Ejections

- The Protocol for Game Management will be used for all games.
- Umpires must complete a Game Report for all games and for on-field incidents and provide it to the Baseball NL or League Representative at the conclusion of the game.
- The Baseball NL/League Rep will use the Game Report, actual observations made of any incident and discussion with the umpires in determining the level for the incident/ejection (level 1, 2 or 3)
- The Baseball NL/League Rep makes the decision as to the level of ejection (Level 1, 2 or 3)
- Level 2 and 3 ejections are subject to further discipline

- When a protestable incident occurs, the protesting manager must, before the next pitch, inform the game umpire-in-chief that the game is being played under protest
- The game umpire-in-chief shall suspend play and inform the manager of the opposing team and the Protest Committee
- The spectators shall be informed by an announcement over the P/A system
- The Protest Committee, the team managers, and the game umpire-in-chief shall retire to a private area away from the teams, spectators and other persons
- The Protest Committee will meet with the game umpire-in-chief, the protesting manager and the opposing manager in that order. The Protest Committee shall have the power to exclude any of those persons while talking to any of the others
- The managers and game umpire-in-chief shall leave and the Protest Committee shall discuss the protest
- Before ruling on the protest, the Protest Committee may confer with any person whom they believe may be helpful in assisting them to reach a decision
- The Protest Committee shall rule on the Protest and inform the game umpire-in-chief and team managers
- The spectators shall be informed of the decision into effect and order resumption of play from the point of suspension
- No further arguments or comments on the protest shall be entertained
- Teams shall obey the direction of the Protest Committee or be liable to immediate suspension and forfeiture of the game.

BRING CHALLENGER BASEBALL TO YOUR ASSOCIATION 2021

"Everyone wants to be part of a team and we make that possible. This is your opportunity to make a difference in your community, don't miss it."

- President, South Chief Baseball Association

What is Challenger Baseball?

Challenger Baseball is an adaptive baseball program specifically designed to empower children, youth and adults living with physical and/or cognitive disabilities. The program is designed to teach its athletes the core life skills inherent to baseball, including: teamwork, communication, determination, resiliency, inclusion, support and courage.

Challenger Baseball is a charterable league with your association! The program ensures every athlete has the opportunity to play in a fun and safe environment where they learn to become more independent, build confidence and self-esteem, improve their communication skills, and set and achieve their own personal short-term and long-term goals.

HOW WILL JAYS CARE FOUNDATION SUPPORT OUR ASSOCIATION TO HELP BRING CHALLENGER BASEBALL TO OUR COMMUNITY?

Jays Care Foundation works tirelessly to remove as many barriers as possible to make it simple to start a new Challenger Baseball league in your community. We support leagues by providing...

- The opportunity to attend FREE Regional Challenger Baseball Training- Workshops for Coordinators, Coaches, Buddies and Volunteers to ensure that everyone involved feels confident, equipped and excited to run Challenger Baseball;
- A FREE Adaptive Equipment Kit from Flaghouse and Rawlings;
- A Sustainable Program Grant to help get leagues started;
- Toronto Blue Jays themed t-shirts & hats for your whole team; and
- Ongoing support from Jays Care Foundation staff

"When I tell people about Challenger, I tell them nobody can understand the impact this activity has on the families until your hands are involved and getting dirty with the players. Challenger makes possibly the biggest difference in the lives of these kids each week."
- Challenger Baseball, Coach

THIS PROGRAM SOUNDS LIKE A GREAT FIT FOR OUR COMMUNITY, WHERE DO I BEGIN?

- 🌐 Visit challengerbaseballcanada.ca to find the New League Start Up Kit
- 📧 Email Meghan.Saunderscook@bluejays.com at Jays Care Foundation to learn more about Challenger Baseball
- 📺 Hear what the President of South Chief Baseball Association has to say about getting involved in Challenger Baseball at <https://youtu.be/lhnfkKxTbGE>
- 🌐 Start small and begin in a place where your program can grow! Consider beginning with 5-10 athletes and grow from there!
