NOTES

1. The Baseball NL representative will be appointed by Central Director Rod Feltham. The Umpire Supervisor will be appointed by Umpire-In-Chief Mark Jones
2. Games will be scheduled for Monday, September 4th if necessary due to rain
3. Home team for all round robin games will be decided by the underlined team on the schedule.
4. Pitchers will be using pitch count. Pitch count rules and regulations can be found in the 2023 Baseball NL Handbook, which is downloadable from the Baseball NL website.
5. Please consult the 2023 Baseball NL Handbook for all tournament regulations. The handbook can be downloaded from the Baseball NL website.
6. If one team finishes the round robin with a 3-0 record and the other teams finish at 1-2, the 1-2 team with the least number of runs allowed per defensive inning (in games among the tied teams ONLY) will play the 3-0 team in a single championship game.

If three teams finish at 2-1, then the team which allows the least number of runs per defensive inning (in games among the tied teams ONLY) receives a bye to the final and the other two teams will play a tie-breaker game. A single championship game will follow. **This is the only scenario where a tie-breaker game will be played.**

NOTE: Least number of runs allowed per defensive inning is calculated by taking the total number of runs allowed and dividing it by the total number of defensive innings played, including any partial innings played.

NOTE: In a game where a team wins by mercy rule, the winning team will be credited with seven (7) defensive innings played, while the losing team will only be credited with the number of defensive innings they played.
