| Gander              |  |
| Grand Falls Windsor |  |
| Corner Brook        |  |

### Ranking System Appeal Process:

In the event of a disagreement in the final rankings presented as above, any association has the right to have their final ranking reviewed via an appeal process.

1. Any association may elect to appeal the final ranking for their team(s) by **July 31<sup>st</sup>, 2024 at midnight**. The team must outline the reason for the appeal and must pay \$100 per appeal to officially start the appeal process. This fee will be returned to the association in the event of a successful appeal.
2. If an appeal is filed, a committee will be struck to review the appeal and any information presented as part of the appeal.
3. Once the appeal is heard and a decision is rendered, that decision is final and no further appeal can be made.
4. To allow time for any possible appeals to be reviewed, all rankings will be official by August 2<sup>nd</sup>, 2024. In the event there are no appeals by the above-stated deadline, the rankings will then become official once the appeal deadline passes.
