## HOW TO REGISTER & OTHER INFORMATION

**Existing coaches** can register for any of the above courses at [www.nccp.baseball.ca](http://www.nccp.baseball.ca)

If you are a **new coach**:

- Go to [www.nccp.baseball.ca](http://www.nccp.baseball.ca) and create an account
- Once your account is created, you will need to complete the following online modules from the Baseball Canada NCCP site
  - o Coach Initiation in Sport
  - o Coach Initiation in Baseball (Fundamentals)
  - o Rally Cap for Coaches in 11U
- There is a \$37.50 cost for new coaches to create their profile and a cost of \$14.95 for the Rally Cap course
- Complete the Safe Sport course offered by the CAC online at [www.coach.ca](http://www.coach.ca)
- Once the above steps and courses are completed, coaches can then register for any other required courses

Every course that is required to coach in NL for provincial championships will be offered over the next two months. Coaches are encouraged to check the Baseball NL website and for the list of coaching requirements. This information can be found [HERE](#)

**Note – the file is dated 2022 but there have been no changes to coaching requirements since that time**

The cost for each clinic is \$50 and this will be charged to your local association. If you are not affiliated with an association or if you are not actively coaching with your local association the participant will be responsible for paying the course registration fee.

There is a minimum number of participants required for each course and courses may have to be cancelled and/or rescheduled if the minimum number of participants is not met.

For additional female only clinics, we are actively seeking expression of interest for which clinics should be offered in an all-female environment. If you are a female coach looking to further your coach education in advance of the 2024 Provincial Championships, please click [HERE](#) to complete a Google Form survey collecting information on which courses would be of interest if offered.

- As a reminder – female coaches are more than welcome to participate in our all-gender clinics, as well
