

BASEBALL NEWFOUNDLAND AND LABRADOR

2024 – 2025 BASEBALL NL HIGH PERFORMANCE PROGRAM TRYOUT WEEKEND INFORMATION

The tryout weekends for the 2024 – 2025 Baseball NL High Performance Program are fast approaching and registration is now open!

Tryout weekends will take place on

- October 18th – 20th
 - o Eastern boys/co-ed teams (13U, 15U, 18U);
- October 25th – 27th
 - o Eastern girls teams – 14U, 16U, 21U Women);
- November 1st – 3rd
 - o Western – all teams

An exact schedule for all weekends is being finalized and will be communicated closer to the beginning of each weekend

Tryout Weekend Notes

- Western Region players are able to participate in the Eastern Region tryouts should they wish or vice versa.
- Central Region players will be able to participate in either the Eastern Region tryouts OR the Western Region tryouts. Central Region players DO NOT have to attend both weekends. They can attend whichever weekend they would prefer.
- In 2025, Baseball NL will not be selecting a 16U Girls or 17U Provincial Team. This is due to both age groups being represented in the 2025 Canada Summer Games where separate tryouts have already taken place.
 - o Baseball NL will be selecting a 16U Developmental Team that will train and compete as part of the High Performance Program.

Players that are interested in representing the province on a Provincial team must register for the High Performance Program. After the initial tryout weekends in October, there will be additional weekends of training in Eastern and Western regions. More information on a schedule will be released prior to the announcement of training pools for the 2024 – 2025 season.

If players are selected to the training pool after the first tryout weekend, they are expected to participate in High Performance Program programming as much as possible. Baseball NL does understand there are other activities and/or conflicts, but it is the expectation of all athletes to be as full participants as possible if selected for the 2024 – 2025 program. These dates will be announced before the program begins.

- **For Male players** - any player born from **2006 - 2013** is eligible to try out for the program
 - o **Players born in 2006 are overage players for the 18U Provincial Team**
